

Guardianship and Conservatorship Program Regulations

205 Procedure for Approval of Continuing Education Activities

205.1 An active Guardian and Conservator or sponsoring agency desiring approval of a continuing education activity shall submit to the Committee all information called for by the Continuing Education Activity Credit Approval Form at least 30 days prior to the date scheduled for the class, along with a credit approval fee. Such continuing education activities may include: courses sponsored by courts, agencies for guardians and conservators, and licensing agencies for other related professions such as the WSBA, Department of Health, etc.; and pertinent non-sponsored courses approved by the Board. If filed less than 30 days before the activity, the applicant must pay a late credit approval fee. Applications for retroactive approval will be considered if submitted with all the information required by the Continuing Education Activity Credit Approval Form within 30 days of the continuing education activity and with the late credit approval fee. The credit approval fee may be waived, upon request, for court-sponsored training that is designed specifically for guardian or conservators, or for an individual guardian or conservator attendee of a non-sponsored course. All fees shall be published annually by the Certified Professional Guardianship and Conservatorship Board no later than September 1 of the preceding year.

205.2 Approval shall be granted or denied in accordance with the provisions of Regulation 207 herein. Upon approval of the activity, a list of Guardian and Conservators will be provided to the class sponsor if requested in the initial application, along with written acknowledgment of approval.

205.3 As to a course that has been approved, the sponsoring agency may announce, in informational brochures and/or registration materials: "This course has been approved by the Continuing Education Committee of the Professional Guardianship and Conservatorship Certification Board for hours of credit." Sponsors may also delineate as between general, ethics and emerging issues credits in their promotional materials.

205.4 On the date of the continuing education activity, the sponsoring agency shall give a copy of the Guardian and Conservator course approval form to each Guardian and Conservator attending.

205.5 No later than 30 days following the activity, the sponsoring agency must send the attendance list to the AOC, along with a copy of the completed evaluation. Materials distributed at the activity shall be available to the AOC upon request.

205.6 The Board may, on its own behalf, approve a course or activity for Continuing Education Credit without an application for Continuing Education Credit from an active Guardian and Conservator or sponsoring agency. A continuing education activity approved under this subsection must be granted or denied in accordance with the provisions of Regulation 207. Neither a credit approval fee nor an attendance list will be required for a continuing education activity approved under this subsection 205.6.

205.6.1 A guardian and conservator who chooses to participate in a continuing education activity approved under this subsection must provide the AOC with a certificate of completion, or some other documentation which demonstrates the guardian and conservator's participation in the activity.

205.6.2 A guardian and conservator or other third party must provide an application for approval of continuing education activity in compliance with subsection 205.1 through 205.4 of this section and cannot request the Board approve a continuing education activity on its own behalf in lieu of the third party submitted the required application.
