

Guardianship and Conservatorship Program Regulations

413 Responsibilities of Certified Professional Guardian and Conservator Agencies

413.1 The designated Certified Professional Guardian and Conservator (CPGC) is responsible for the actions of the agency for which they serve as designated CPGC.

413.2 A CPGC is bound by the Standards of Practice notwithstanding that the professional guardian and conservator acted at the direction of another person.

413.3 A designated CPGC shall make reasonable efforts to ensure that the conduct of non-guardian and conservator agency employees is compatible with the professional obligations of the professional guardian and conservator.
