I, Richard Krebs, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

See 2 sheets attached 1-11 Grounds

Additional Ground 2

If there are additional grounds, a brief summary is attached to this statement.

Richard Krebs Richard Krebs # 44 502-6-11

- (1) The question I answered was how old were you when you had your first drink. 14? Not how many did you have.
- (2) No weapon was found: knife, gun, grenade.
- (3) No breath test given. No blood test ever taken or asked to take at any time.
- (4) No evidence was brought to court, but many were mentioned. All to convict. Taking the 'senic route', yes. Horshoes
- (5) I was in a accident taken to a hospital. I expected to be examined for injuries. Never happened
- (6) I was denied a phone call. I wanted to call my wife Patricia, and was denied a phone call for several days.
- (7) I was injured holding my stomach. I had a hernia operation. I walked with a limp and held on to things for support, I was in pain. I had a right total hip replacement. I am in pain now and will get a left hip replacement. I am waiting to get more reports
- (8) No person or entity shall bring accusations or charges to the court they know not to be true. The prosecutor used 'Twilight Zone' while playing 'Horse shoes' close enough. Close enough is not good enough. Burden of proof requires not close enough but beyond any doubt.
- (9) I was offered a plea to a crime I did not commit and if I did not take it more charges would be added. Close enough

(10) The items the public defender
Joshua Baldwin mentioned.

(11) I am in great physical pain now, but the
emotional and mental pain is but pure torture.
I feel the prosecutor should be held
accountable for this sham prosecution
