

No. 44264-7-II

COURT OF APPEALS OF THE STATE OF WASHINGTON
DIVISION II

STATE OF WASHINGTON,

Respondent,

v.

KRIS A. SAEGER

Appellant.

STATEMENT OF ADDITIONAL
GROUND (RAP 10.10)

I, Kris Saeger, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

STATEMENT OF ADDITIONAL
GROUND (RAP 10.10)

Page: _____ of _____

ADDITIONAL GROUND ONE

I tried to ~~prove~~ prove in court that the Gaspars
accused me of kidnapping their daughter one month
before the Felony Harassment case which is another
thing they accused me of. The court said the court
would not allow such testimony. It would be a closer
case if Vivian had claimed that Mr. Saeger had
done that, and now there's this allegation in this
court, but that would be closer, but with no specific
allegation about Mr. Saeger. The court will not allow
that to be admissible. It sounds like ~~that~~ the court
would rather see me commit the crime in order
to believe me when I tried proving that Gaspars
make up stories. So I believe the court erred
on that.

GROUND TWO

when I was on stand and I answered a question
with uh-hum, the court said that I needed
to answer with a word, verses Mr. Gaspar
answered with uh-hum 8 times when the court never
said anything about that which I believe the judge is
bias, and also Ms. Gaspar also answered a question
with uh-hum and nothing was said to her about that,
so I believe there is an error in that.

STATEMENT OF ADDITIONAL
GROUNDS (RAP 10.10)

~~ADDITIONAL~~ ADDITIONAL GROUND THREE

Mr. Richards asked Mr. Gaspar if I made any threats in the past which I don't believe is relevant to the case that was in court at the time which I believe there was an error on that.

Also Mr. Richards asked Mr. Gaspar if he had any issues with me for the next few months since the October 2011 incident, which I also don't think is relevant to the case that I was in on which I also believe the court erred on.

ADDITIONAL GROUND FOUR

Mr. Richards asked me isn't it true that you've been having problems with them because you've been playing music loud at night and drinking and partying and they've had to call the police? I don't think me having loud music is relevant to the incident, so I believe that is also an error.

ADDITIONAL GROUND FIVE

When Deputy Gray ~~was~~ accused me in court that I was drinking alcohol when it wasn't said in the report that I was drinking alcohol as if he was making it up on the stand, I think that was an error.

ADDITIONAL GROUND SIX

Mr. Richards stated that he has printed out the law and that it's in his office, but he thinks he could probably go from memory on that. As if Mr. Richards wasn't prepared for court which I think is an error.

Im only a good person when Im not drinking alcohol
which there was no proof of, so I believe that the judge
is bias, **ADDITIONAL GROUND NINE**

Mr. Richards forgot to bring the findings and conclusions
to court from his office which I believe Mr. Richards was
unprepared ~~unprepared~~ for court. **ADDITIONAL GROUND TEN**

The fact that Mr. Richards brought up all my felony charges from
the past that I don't believe is relevant to the case that
Im on, I believe that was an error.

ADDITIONAL GROUND ELEVEN

The court had proof that I completed alcohol and mental health
treatment when they found me guilty of a crime that I didn't commit
when they ~~assumed~~ assumed that I was drinking alcohol.
I believe there has been an ~~error~~ error on that as well.

ADDITIONAL GROUND TWELVE

when Mr. Sergi called me on the stand when he never told me that
I had a choice to be on the stand or not which is my understanding,
when Mr. Richards attacked me with all them irrelevant
questions, I feel that was an error.

If there are any additional grounds, a brief summary is attached to
this statement.

DATED this 31st day of MAY, 2013.
