Mr. Blackmon:

On July 6, 2015, this Court received your "Motion and Declaration For Waiver of Civil Filing Fees and Surcharges", proposed order, and "MOTION TO PETITION FOR A JUDICIAL REVIEW". All of the documents are captioned for the King County Superior Court so the purpose in sending them to the Washington Supreme Court is not clear.

In addition, it appears that the motion is an attempt to seek judicial review of the Washington State Bar Association's order affirming disciplinary counsel's dismissal of a grievance you filed against Linda Coburn. Pursuant to ELC 5.7(f), a review committee's action is final and not subject to further review.

For the reasons explained above, no action will be taken as to your documents and they have been placed in our unfiled papers drawer.

Sincerely,

Susan L. Carlson
Supreme Court Deputy Clerk
