Appellant.)

No. 45195-6-II

STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

FILED
COURT OF APPEALS
DIVISION II
2014 APR 21 AM 9:24
STATE OF WASHINGTON

I, Earl Burns, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

RP 124. When the court denied the motion to dismiss Juror 22 for cause, my counsel failed to inform me of my right to a Peremptory Challenge making her ineffective. Counsel then failed to use all challenges and by doing so failed to insure me a fair trial. I believe these grounds for Ineffective Assistance of Counsel.

Additional Ground 2

RP 124. Judge Costello ~~should~~ allowed a bias Juror to sit on the panel and continuous flagrant prejudicial - misconduct. 13RP 88-89 and 13RP 92. Therefor i believe these grounds for a Judge Nullification, because by allowing this he shows prejudicial

If there are additional grounds, a brief summary is attached to this statement.
