Respondent stands on the arguments presented in its motion to strike. *O'Neill v. City of Shoreline*, 183 Wn. App. 15, 23, 332 P.3d 1099, 1104 (2014), provides on-point analysis of a party's ability to supplement the record with case law that should have been included in their initial briefing. As such, Respondent respectfully requests the Court strike Petitioners' Second Statement of Additional Authorities.
