**Additional Ground 1**

I never signed the papers with my lawyer, nor did my interpreter read me my rights, and they did not do a sufficient investigation of the gun. They did not take fingerprints, run the pin number, and there were four police officers and the only ones that went were no more than 2. If you have more questions my attorney Kozer is available to give you more information.

**Additional Ground 2**

And another thing: they say that I speak perfect English and since 2010 whenever I have been in court I have always had to use an interpreter. And please, I already sent a letter to the Seattle lawyer named Gregory Link and my county lawyer Kozer has tried to put me in touch with him but he has not answered because I was in the county and Kozer visited me and I showed him all the papers that I have and it is not what we are appealing.
