STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

COURT OF APPEALS
DIVISION II

BY DEPUTY

I, Steven Karl Edwards, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

In 2008 I had a prior case where a gun was involved. I took a deal set by the prosecutor for 60 months including a 18 month weapon enhancement. Now I have this current case from 2013 where I was convicted and another gun was involved. My gun enhancement time is now 20 months on each charge to be ran consecutively which the prosecutor told the judge at sentencing was mandatory. I believe that my additional grounds for appeal is that it is excessive for the enhancement time to jump from 18 months to 20 months.

Additional Ground 2

If there are additional grounds, a brief summary is attached to this statement.
