DIVISION III
STATE OF WASHINGTON
By No. 33831-2
No. 15-102469-9
STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, MELISSA L. KERAS, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Ineffective assistance of counsel for failing to corroborate dress, refusing to use my witnesses present or on call, also refusing to use any number of the 911 records, hospital records or possible photos of recent abuse / death threats which would have greatly benefited my dress defense in every way possible at trial.

Additional Ground 2

Ineffective assistance of counsel for failing to use any past drug evaluations for request on Dosa, also not requesting a new drug evaluation / mental evaluations due to marital dress being fully aware of my current relapse while asking for mental health help along with help with my addiction.

If there are additional grounds, a brief summary is attached to this statement.
