

Email to courts - juror Survey

Your assistance is needed! The BJA Court Recovery Taskforce is gathering information about COVID-19 accommodations and any impacts on court proceedings and jurors. Please share the survey with jurors who appear in your courtroom either in-person or virtually.

There are several ways the survey can be shared:

- 1) You can share the survey link in-person, in an email, or in a chat box if it is a virtual proceeding.

<https://www.surveymonkey.com/r/BJAjurorsurvey>

- 2) You can share the survey QR code by email, chat box if virtual, or on a poster or handout if jurors are in person (poster attached).

- 3) You can share a paper copy of the juror survey that can be found on the [Court recovery Task Force Survey Page](#). We recommend handing these out and providing a box for jurors to place completed surveys. We would like these mailed to the AOC so they can be scanned and added to the statewide results. Please mail completed surveys to: Caroline Tawes, Administrative Office of the Courts, 1208 Quince St SE, PO Box 41170, Olympia, WA 98904-1170

Surveys will be open until June 15. Survey results will be shared.

We greatly appreciate your help.

Please contact jeanne.englert@courts.wa.gov with any questions.
