Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

RCW 69.51A.010 and 2010 c 284 s 2 are amended in Section 1 to clarify various definitions of terms of medical use of cannabis and adds posttraumatic stress disorder to terminal or debilitating medical conditions.

RCW 69.51A.060 and 2011 c 181 s 501 are amended to entitle persons using medical cannabis to the same rights and protections from civil and criminal liability as users of prescription drugs under Washington state law.

RCW 69.51A.110 and 2011 c 181 s 408 are amended to ensure that a qualifying patient's medical use of cannabis may not be a sole disqualifying factor in determining the patient's suitability for an organ transplant.

RCW 69.51A.043 and 2011 c 181 s 402 are repealed in Section 10.

RCW 69.51A adds new sections related to civil and criminal liability and provides for a workgroup of twelve medical cannabis stakeholders to study a voluntary patient registry.

This bill is not expected to add additional work or expenditures for AOC or the superior/district/municipal courts because there are no new penalties and no action that would cause a court appearance.
