Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

This bill addresses wage liens.

Section 6 is a new chapter that would allow Department of Labor and Industries to file actions of wage lien foreclose in superior or district court. This change provides an additional tool under Title 60, however does not require the department to accept assignment and file wage liens on behalf of wage claimants, or to initiate foreclosure actions on those wage liens.

Department of Labor and Industries assumes that they would not be using this new tool under Title 60 therefore there would be no impact to the courts.

II. B - Cash Receipts Impact
