**Part II: Narrative Explanation**

**II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts**

RCW 28B.118.040 would be amended to read as follows: (3) Develop and implement a student application, selection, and notification process for scholarships, which includes working with other state agencies, law enforcement or the court system to verify that eligible students do not have felony convictions. Although the County Clerks could be a provider of the information, the information should actually be provided by the State patrol because they are the repository for criminal history information. Therefore, it is expected there would be no fiscal impact to the courts.

**II. B - Cash Receipts Impact**

**II. C - Expenditures**

**Part III: Expenditure Detail**

**Part IV: Capital Budget Impact**
