Part II: Narrative Explanation

This bill would clarify and increase penalties, reduce barriers to prosecution, and expand protections for vulnerable persons. The bill would encourage counties to develop written protocols for handling criminal cases involving vulnerable adults.

Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

Section 6 – Would amend RCW 9A.56 to add:

(1)(a) – A person is guilty of theft from a vulnerable adult in the first degree if he or she commits theft of property or services that exceeds five thousand dollars in value, other than a firearm as defined in RCW 9.41.010 from a vulnerable adult. The defendant must have known or should have known that the victim was a vulnerable adult.

(1)(b) – Theft from a vulnerable adult in the first degree is a class B felony.

(2)(a) – A person is guilty of theft from a vulnerable adult in the second degree if he or she commits a theft of property or services that exceed seven hundred fifty dollars in value but does not exceed five thousand dollars in value, other than a firearm as defined in RCW 9.41.010 or a motor vehicle, from a vulnerable adult. The defendant must have known or should have known that the victim was a vulnerable adult.

(2)(b) – Theft from a vulnerable adult in the second degree is a class C felony.

II.B - Cash Receipt Impact

No revenue impact.

II.C – Expenditures

The law tables would need to be updated resulting from the proposed changes. Court education would be required regarding new terminology (definition of vulnerable adult) and new violations. This could be managed within existing resources.

Impact on the courts is expected to be minimal.
