Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The amendment is the same as the second substitute bill except that it adds the requirement for schools to document each instance of imposition of detention for failure to comply with a truancy order with a statement of the reasons for each instance as part of the annual truancy report to OSPI.

Second substitute version:

RCW 28A.225.020, RCW 28A.225.026 and RCW 28A.225.090 would be amended to maintain and facilitate court-based and school-based efforts to promote attendance and reduce truancy. A new section would be added to RCW 28A.225 that states if specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017, in the omnibus appropriations act, this act is null and void.

There is no impact to the courts or to AOC.
