Part II: Narrative Explanation

This bill would amend RCW 9A.88.110 to clarify the location at which the misdemeanor crime of patronizing a prostitute occurs. The crime is deemed to have been committed in any location in which the defendant commits any act under subsection 9A.88.110(1)(a), (b), or (c). Further, a person who sends a communication to patronize a prostitute is considered to have committed the crime both at the place from which the contact was made and where the communication is received.

Note: This version of the bill would clarify that a person may not be prosecuted twice for substantially the same crime.

Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

No fiscal impact to the courts.
