## **Part II: Narrative Explanation**

This bill would amend RCW 46.63.170 to allow local jurisdictions to enact ordinances to install transit-only lane enforcement cameras to enforce transit-only lane violations using photo enforcement technology. A violation would be classified as a traffic infraction. The local legislative authority would be responsible for monitoring transit-only lane enforcement cameras.

### **Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts**

This bill could result in more hearings but impact is expected to be minimal.
