Part II: Narrative Explanation

This bill would create a consistent standard for the maximum duration of domestic violence no-contact orders in non-felony cases in all court levels.

Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

Section 2 – Would amend RCW 10.99.050 to clarify that a domestic violence no-contact order issued by a trial court judge remains in place at least for the period of time determined by the court, and may remain in place until the defendant has completed his or her sentence, even if the sentence extends beyond the normal maximum due to consecutive sentences, tolling while on warrant status, or another reason.

Section 3 – Would clarify a discrepancy between municipal court and superior court judges' authority to suspend the execution of a sentence for a domestic violence offense by amending RCW 9.95.210 to allow superior court judges five-year jurisdiction over domestic violence offenses.

II.B - Cash Receipt Impact

None.

II.C – Expenditures

Indeterminate, but impact is expected to be minimal due to increased jurisdiction, primarily in superior courts.
