## **Part II: Narrative Explanation**

This bill would modify impaired driving provisions.

### **Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts**

RCW 9.94A.729 would be amended to add the provision that an offender whose sentence includes impaired enhancements under RCW 9.94A, minor child enhancements under 9.94A.533 (13) or both, shall not receive any good time credits or earned release time for any portion of his or her sentence that results from those enhancements.

RCW 10.21.055 would be amended to state that the court shall immediately notify the department of licensing when an ignition interlock restriction is imposed as a condition of release after conviction in instances where a person is charged with, or convicted of, a violation of RCW 46.61.502, 46.61.504, 46.61.520 or 46.61.522.

### **II.B - Cash Receipt Impact**

No cash receipt impact.

### **II.C – Expenditures**

Based on information from program staff, because the bill would remove the 24/48 consecutive hours language and provide judges with discretion in certain instances, there will be some impact to the court. However, the impact will not be significant.
