Part II: Narrative Explanation

This bill would modify the process for obtaining a certificate of discharge and would expand eligibility criteria for vacating criminal convictions.

Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

RCW 9.94A.637 would be amended to change how a certificate of discharge is obtained.

RCW 9.94A.640 would amend the vacation of conviction statute by prohibiting vacation if certain crimes are present. The court would be required to prepare a rather complex calculation it did not need to do before.

II.B - Cash Receipt Impact

No cash receipt impact.

II.C – Expenditures

Based on information from the program, although there would be a more complex calculation to prepare, there is not a high volume of requests. Therefore, the impact to the courts would not be significant.
