Part II: Narrative Explanation

This bill would overturn the Marcum decision regarding show cause hearings for conditional release trials.

Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

A new section would be added to RCW 71.09 that would overturn the Marcum decision.

RCW 71.09.090 would be amended to state that the petitioner must overcome prima facie evidence that he or she continues to meet the definition of sexually violent predator and that a less restrictive alternative is not appropriate. The law would apply retroactively and prospectively to all petitions filed under chapter 71.09 RCW.

The bill is reiterating existing law so there is no impact to the courts.
