## **Part II: Narrative Explanation**

This bill would require a court, if it dismisses certain charges against a person, to make a finding as to whether a defendant has a history of one or more violent acts, and if so, the defendant would be prohibited from the possession of firearms until a court restores his or her right to possess a firearm.

### **Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts**

Section 1(3) – Would amend RCW 10.77.088 to provide that if at any time a court dismisses charges against a defendant, the court would be required to make a finding as to whether the defendant has a history of one or more violent acts. If the court so finds, the defendant would be barred from the possession of firearms until a court restores his or her right to possess a firearm. The court would be required to state to the defendant and provide written notice that that defendant is barred from the possession of firearms and that the prohibition will remain in effect until a court restores the person's right to possess a firearm.

### **II.B - Cash Receipt Impact**

None.

### **II.C – Expenditures**

Court education would be required. This would be managed within existing resources.
