Part II: Narrative Explanation

This bill would create a program to provide a path for the reinstatement of driving privileges that are suspended because of failure to pay a traffic infraction.

Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

This bill would add a new section to chapter 46.20 RCW to create a program to provide a path for the reinstatement of driving privileges that are suspended because of the failure to pay a traffic infraction. The program would be administered by collection agencies.

There would be no impact to the Administrative Office of the Courts (AOC) and minimal impact to the courts. There may be fewer Driving While License Suspended violations, however, there is no information available as to how many that might be.
