## Part II: Narrative Explanation

This bill would amend several domestic violence statutes to add “intimate partner” and update or change definitions. The bill would create instances where Assault in the Fourth Degree is elevated to a Class C felony.

This bill differs from HB 2473 by modifying Assault in the 4<sup>th</sup> Degree involving domestic violence by providing the that time restrictions on present and prior offenses relate to when those offenses were committed, rather than when those offenses are pleaded and proven.

### Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

Sections 1 through 18 would amend various domestic violence statutes to add “intimate partner”.

Section 7 – Would create instances where Assault in the Fourth Degree is elevated to a Class C felony, if a person has two or more prior adult convictions within ten years for any of a variety of listed offenses where domestic violence against an intimate partner was pleaded and proven after July 23, 2017.

### II.B - Cash Receipt Impact

None.

### II.C – Expenditures

This bill would impact many of the forms related to domestic violence currently in use by courts throughout the state. It is estimated that approximately 200 hours of forms review, committee meetings, and publication costs would be required to update the required forms.
