## **Part II: Narrative Explanation**

This bill would amend the language of Title 13 RCW sealing juvenile court records upon certain events as the default, and removes the public's ability to contest a sealing hearing.

### **Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts**

Section 1(1)(a) - Would remove the language that allows for a contested hearing when an individual's juvenile record has been scheduled to be sealed.

Section 1(1)(d) – Would allow that the juvenile court record be sealed if the court finds by a preponderance of evidence that the respondent is no longer on supervision of the case being considered for sealing.

Section 1(1)(e) – Would require that the court continue the administrative sealing hearing to a date within thirty days after the respondents anticipated end date of the supervision.

Section 1(1)(f) – Would require that the respondent, in addition to not being under the courts supervision, must have all court ordered restitution paid before the juvenile record can be sealed.

Section 1(8)(d) – Would remove the requirement that the Washington State Patrol provides, through its Washington State Identification System, criminal justice agencies access to sealed juvenile records.

### **II.B - Cash Receipt Impact**

None

### **II.C – Expenditures**

Indeterminate, but expected to be minimal. Would require IT system and court forms revisions. These impacts would be managed within existing resources.
