Part II: Narrative Explanation

This bill would amend RCW 9.94A directing courts to provide a resentencing hearing to any drug offender who committed their offense prior to July 1, 2004 and who remain incarcerated as a result of the sentencing from that crime.

The prosecuting attorney for a county in which any offender would be required to review the sentencing documents. Would provide that if an offender is serving a term of incarceration for a drug offense committed prior to July 1, 2004, the prosecuting attorney would be required, or an offender may, make a motion for relief from sentence to the original sentencing court.

Section 1(2) – Would require that a sentencing court shall grant the motion if it finds that the offender is serving a sentence for a drug offense committed prior to July 1, 2004, and shall immediately set an expedited date for resentencing.

Section 1(3) – Would provide that in no case may the resentencing result in the offender serving a greater term of total confinement.
