Part II: Narrative Explanation

This bill would expand the list of drugs for which a person can be found guilty of the crime of endangerment if the person permits a dependent child or adult to be exposed to, ingest, inhale or have contact with the drug.

Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

Section 1(b) – Would provide that a person would be guilty of the crime of endangerment with a controlled substance if the person knowingly or intentionally permits a child or dependent adult to be exposed to, ingest, inhale, or have contact with Fentanyl, including its salts, isomers, and salts of isomers that are being used in the manufacture of fentanyl.

II.B - Cash Receipt Impact

None.

II.C – Expenditures

Indeterminate, but expected to be minimal. There is no data available to estimate the number of crimes of endangerment that would result from this bill.

Judicial education would be required. This would be managed within existing resources.
