Part II: Narrative Explanation

This bill would provide that after a felony conviction in a state court, a person's right to vote would be automatically restored if the person is not serving a sentence of total confinement under the jurisdiction of the Department of Corrections (DOC).

The bill would amend provisions authorizing revocation of a person's voting rights for the reason of failure to pay legal financial obligations (LFOs).

Part II.A – Brief Description of what the Measure does that has fiscal impact on the Courts

This bill would automatically restore voting rights for offenders who are no longer in total confinement under the supervision of DOC.

A person may have the provisional restoration of their voting rights revoked if a sentencing court determines that a person willfully failed to comply with the terms of their order to pay LFOs. If a person fails to make three payments in a 12-month period and the county clerk or restitution recipient requests, a prosecutor must seek to revoke that person's provisional voting rights.

II.B - Cash Receipt Impact

None.

II.C – Expenditures

Changes would be required to the Felony Judgement and Sentencing form. Court education would be required. These costs would be managed within existing resources.
