Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The bill would amend and add to Chapter 9.94A RCW (Sentencing Reform Act of 1981) allowing individuals who have a sentence of partial or total confinement at the time they committed a crime were 17 or 18 or have consent of the prosecuting attorney to petition the court for a modification of sentence.

Section 3 outlines the eligibility and contents of the petition to modify a sentence. The court may grant modification if there is a finding that the original sentence no longer advances the interest of justice. A list of factors that the court may consider in determining a modification should be granted is provided.

II. B - Cash Receipts Impact

None

II. C - Expenditures

This bill would have no fiscal impact to the Administrative Office of the Courts.

There is no data available in the Administrative Office of the Courts case management systems to estimate the number of potential petitions that would be filed as a result of this bill. The Department of Corrections provided the number of incarcerated individuals in DOC's jurisdiction who are serving a felony sentence that falls under the criteria in the original bill (2,552 committed at 18 years of age or older and have served at least 10 years of their sentence, and 135 incarcerated individuals who are serving a sentence for a felony committed at 17 years of age or younger and have served at least 7 years of their sentence).

The impact to the courts is indeterminate, but likely to increase the number of petitions.
