## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

This bill creates “Fashion Sustainability Accountability Act” requiring certain-sized fashion manufacturers/retailers to take specified steps to aid in addressing negative environmental impacts of the fashion industry.

### II. B - Cash Receipts Impact

None

### II. C - Expenditures

No Fiscal Impact to the Administrative Office of the Courts.

Section 6 allows for the filing of a civil cause of action against a fashion retail seller or fashion manufacturer for alleged violations of the bill. In addition, any person may commence an action to compel the department of ecology to enforce compliance. There is an existing civil cause of action under which these actions may be processed. Therefore, no changes to superior court systems are anticipated.

Impact on Superior or District Courts would be minimal. There may be a slight increase in civil cause of action filings to enforce rights and request damages. No significant judicial impact for this has been identified. Existing court business processes would accommodate new civil case filings.
