Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The striking amendment to engrossed substitute bill would have the same fiscal impact as previous versions of the bill.

It would expand the duties of dealers and others with respect to possession, disassembly, sale, or transfer of catalytic converters and vehicles containing them. It also would create multiple crimes relating to the possession or sale of unlabeled or improperly labeled catalytic converters and unlawful trafficking in them and would require the court or jury to make special findings/verdicts when the defendant is convicted of trafficking converters.

II. B - Cash Receipts Impact

None

II. C - Expenditures

ADMINISTRATIVE OFFICE OF THE COURTS

This would have minimal fiscal impact to the Administrative Office of the Courts requiring law table updates and minor court education

SUPERIOR, DISTRICT AND MUNICIPAL COURTS

This bill may increase caseloads in superior, district, and municipal courts because the bill would create new crimes. However, the court impact is indeterminate. It is unknown how many cases would result from the new crimes.
