## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The bill would subject vehicles used to elude a police vehicle or resist arrest to impoundment. It would also authorize the court to place defendants (adults and minors) on electronic home monitoring upon release from custody if they were charged with eluding a police vehicle or resisting arrest.

### II. B - Cash Receipts Impact

None

### II. C - Expenditures

The bill would have no or minimal impact to the Administrative Office of the Courts. There may be a need to include the information in judicial education and update bench books.

The impact to the courts is likely low, but the increase in court caseloads is indeterminate.
