Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

This bill relates to establishing civil penalties for the unlawful sale or supply of alcohol to minors.

II. B - Cash Receipts Impact

None

II. C - Expenditures

The bill would have minimal fiscal impact to the Administrative Office of the Courts to update codes.

No impacts for the superior court as they average about 950 charges per year.

The courts of limited jurisdiction will have no impacts, currently the average amount of charges per year is 2,297, this would be absorbed into their current civil infraction case load. The reduction from a gross misdemeanor to a civil infraction will actually reduce the amount of time the case is processed in the district and municipal courts.
