### **Part II: Narrative Explanation**

#### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The original bill seeks to permit a judicial officer the authority to release a defendant on personal recognizance for direct transfer to an inpatient or residential treatment program so long as certain conditions are met, including defendant must have an offer of admission to a facility and has a trusted individual to escort the defendant.

The amendment for this bill removes the court's responsibility to notify forensic navigator upon issuing orders under that subsection and it removes forms requirement.

#### II. B - Cash Receipts Impact

None

#### II. C - Expenditures

The bill would require 35 hours of new codes and updates to publications. This is estimated to be \$3,500 in FY 2026.
