Subject: changed to proposed RPC 1.15A

We are informed that the Court has proposed for comment a change to RPC 1.15A to require us lawyers to annually account to clients regarding funds held by us, but not as to all original documents. As estate planners, we are most grateful for this sensible result.

On behalf of Skagit Law Group and the hundreds of clients for whom we hold original estate planning documents as a courtesy, thank you.

Kate
