Subject: Proposed Changes to GR 23

To Whom It May Concern:

I am an experienced Certified Professional Guardian of 24 years. I am a member of WAPG. I support the response by WAPG to each of the proposed changes of GR23.

Specifically I oppose:

- Limiting the % of CPG's on the CPG board
- Increasing the Formal Education Requirements for CPGs
- Requiring CPG applicants to submit credit reports to the CPG Board
- Expanding Bankruptcy Disclosures by CPGs
- Expanding Disclosure for Crimes
- Requiring New sanction Disclosures for non-professional licenses
- Allowing longer terms for CPG Board members

I support:

- Reworking Public Disclosure of Board Records
- Setting Criteria for CPG Board member conflicts of interest, etc

I would require additional clarification re:

- Narrowing the definition of experience required for certification
