Subject: CR 80 (d) Supplemental Stenographic Record

I respectfully urge the Court to adopt the amendment in CR 80 as it was *originally submitted* by CMC and **also** adopt the proposed additional amendment submitted by WCRA adding the below clarifying language:

CR 80 (d) Supplemental Stenographic Record. If the superior court elects to record a proceeding solely by means of an electronic recording device, any party may, at its own expense, engage a certified court reporter to record the proceeding stenographically. Where a proceeding has been recorded both electronically and by a certified court reporter, either form of record, or both, may be used to create the verbatim report of proceedings for appellate review under RAP 9.2.

Thank you for your consideration.
