Subject: Sealing of Court Records

Honorable Justices:

I can see no ligament excuse for sealing court records. If we lose faith in our courts to dispense justice we will have no freedom left. Please, DO NOT change the existing rules on the sealing of certain court records. Transparent government, including the justice system, requires the ready access to such information.

History shows that it is the powerful and wealthy who can protect themselves unfairly from pubic scrutiny and significant consequence for their actions. Thank you for your consideration.
