**Subject:** General Rule 15

As concerned citizens we would respectfully ask the Court to not take a backwards step for Justice for all of the citizens of Washington State and not enact the considered revisions in the rule. The General Rule 15 amendment that was put into effect in 2006 to provide a more open and honest process in the courts and helped set a good example for other states to emulate. We believe that to roll back these changes would not be in the best interests of the citizens of Washington State. Steven and Marcia Dawson 21025 76th Ave. W. Edmonds Wa.
