Subject: proposed changes to APR 11

Dear Ms. Triboulet,

I am writing in advocacy of changes to APR 11, specifically as these changes pertain to CLE on mental health topics that is eligible for credit. As the Program Manager of WSBA's Lawyers Assistance Program I am tasked with promoting mental health education for attorneys statewide. CLE planning is a large part of my responsibilities and I work with the CLE department to create quality programming several times each year. Often we are limited in terms of having a valid topic and speaker that does not dovetail perfectly with MCLE criteria. This is unfortunate as this shortcoming effects attorney wellbeing statewide.

If you have further questions about LAP's relationship with MCLE I am happy to answer questions.

Thank you for your time and attention.

Yours,

Dan Crystal
