Ms. Mary Tracy, Office Receptionist Clerk

I live in Arizona. Why cannot there be reciprocity/comity with the State Bar of Arizona? We are good people.

"Live Seminars" I have taught school for a long time and know that persons present in the classroom are not always mentally present. Many who watch a video are in rapt attention. Who can judge?

"Registration Penalty" At present it is very difficult and time-consuming to get a non-preapproved seminar accepted by the WSBA (including those sponsored by the State Bar of Arizona or by Sandra Day O'Conner School of Law at Arizona State University). Are you now going to impose a financial penalty [fine] for not having them approved in advance? Is this sponsored by Washington state providers?

Thank you for your consideration
