Subject: I Support Proposed Changes to CR 28(d), CR 28(e), and CR 30(b)(1)
Importance: High

To whom it may concern:

I strongly support the proposed changes to CR 28(d), CR 28(e), and CR 30(b)(1). We need transparency and equal deposition reporting terms for all parties. Injured plaintiffs, who can least afford it, have been unfairly bearing more than their share of deposition charges to compensate for losses that some court reporting firms incur when they offer mass discount contracts to defense firms and insurance companies.

The proposed changes are reasonable, just and overdue. Thank you.
