**Subject:** Objection to proposed rule change to GR 30

Greetings,

I am joining my fellow traffic infraction defense attorneys to express my opposition to the proposed changes to GR 30 specifically to the proposal of striking the phrase "only by agreement" from the language of GR 30. The countless issues this change will have on our practice has already been articulated many times by other comments submitted by my colleagues.

Thank you for your time and attention to our concerns.

Sincerely,

Roein Roshandel
