Subject: Proposed Amendment to RAP 3.4

Dear Justice Johnson and Members of the Rules committee:

I write in support of the proposed amendment to RAP 3.4, requiring appeals of juvenile offense cases to refer to the juvenile by initials. Our State's policies to encourage rehabilitation of juvenile offenders is well served by this amendment. Our policies in favor of public access to information is also well served. Without this protection, the eternal pervasiveness of electronic data completely thwarts the ability to seal juvenile records and allow young people to mature and move on from their youthful indiscretions.

Please adopt this amendment.
