Subject: support for proposed CrR rules

I have practiced criminal defense my entire career as a public defender and write to you in strong support of the new proposed rules that are designed to hold the state accountable and ensure necessary fairness and accuracy in the criminal justice system. I fully support proposed CrR 3.7, CrR 3.8 and CrR 3.9. I ask also that you accept the proposed changes to CrR 4.7 for the same reasons.
