Dear Chief Justice Fairhurst,

I am writing to offer comments on the proposed amendments to APR 28, the admission to practice rule that creates the LLLT in Washington State.

I have sought the help of a LLLT firm over the last year and been very glad I did. The help that was available to me at that price I could afford helped a lot. The level of care I received was also very welcome.

I am grateful the rules were changed in time for me to have benefitted.

I strongly encourage the Supreme Court to expedite the implementation of its proposed amendments to APR 28 for the benefit of the people like me.

Sincerely,

Donna E. Fisher
