Subject: APR 3 - allowing limited licensure of military spouse attorneys in Washington

Good afternoon.

I am writing as a Washington attorney to share my support for the proposed changes to APR 3 allowing limited licensure of military spouse attorneys in Washington. I am concerned that US military families are subjected to heavy burdens from frequent moves around the world. I encourage Washington to support military family professional licensure, bringing Washington in line with 33 other states that adjust military spouse licensure.

Attorney admission by motion has helped contribute to the growth of the legal profession and its diversity. I expect that expansion to military spouses will further reduce the amount of legal need that goes unmet in Washington.

Thank you,

Gayle Zilber
