Subject: Changes to APR 3 - limited licensure of military spouse attorneys in Washington

Dear Sir or Madam:

I support the changes to APR 3 allowing limited licensure of military spouse attorneys in Washington. I am concerned that US Military families are subject to increased burdens from frequent moves around the country. Anything Washington can do to support military family professional licensure I support. These changes will help bring Washington in line with the 33 other states that adjust military spouse licensure.

I believe that attorney admission by motion has helped contribute to the legal profession and its diversity. I expect expansion will further help reduce the percentage of legal needs going unmet in Washington.

I am a military supporter in Washington.

Thank you,
Sarah M. Schaeffer
