Yes, I'm sorry. That's correct. CrR 3.3.

Hello Mr. Conrad,

Do you mean for this to be a Rule comment for CrR 3.3, not CrRLJ 3.3?

thanks

I've also been reviewing a body of caselaw that seems to be pertinent to the issue presented in Snohomish County and taken into consideration by the court:

State v. Striker, 87 Wash. 2d 870, 557 P.2d 847 (1976)  
State v. Stewart, 130 Wash. 2d 351, 922 P.2d 1356 (1996)  
State v. George, 160 Wash. 2d 727, 158 P.3d 1169 (2007)

I helped draft this amendment. After looking at the language again, I believe it should also include language indicating what ever event occurs earlier should commence the time for trial rules.
